

Kinnaird Park Community Church is located in the beautiful West Kootenays in the small town of Castlegar with great outdoor recreation opportunities.

We are looking for a youth pastor, director, or coordinator. The position is bi-vocational, 1/4 time, for Sept 2023, with other work to be found in the community. The position will begin at \$1200 per month and will expand as our church grows. The successful candidate will also access and manage a yearly youth budget.

We began a new Junior Youth Group September 2021 and this new ministry is now ready to add a Senior Youth Group going into September 2023.

Currently, the Youth meet on Thursday evenings, 6:30-8:00pm. While as many as 33 have attended the KP Youth Group we are averaging 12 to 20 youth per week. There is plenty of potential to grow this ministry!

Our focus and vision for youth has been to make and build them up as disciples of Jesus. We have sought to do this each month through two weeks of teaching the gospel, one week of learning to obey the gospel, and one week as a great celebration of the gospel of Jesus (an all out party that includes games, pizza, devotion, etc.). This has worked well for the past two years, though we are open to a new and fresh vision.
